Company Quality Policy

In response to the rise in demand of quality services in construction industry CR Construction Company Limited is dedicated to improve the performance by creating a customer focus and continual improvement corporate culture through the adoption and implementation of a Quality Management System which is based upon the requirements of the International ISO9001:2015 Standard.

Our Quality Policy is:

- To demonstrate the Company's ability to consistently provide products and services that meets Clients' expectations and applicable regulatory requirements;
- To establish partnership between Client and Customer, where all parties working together effectively to deliver the product;
- To identify, understand and satisfy the needs and expectations of all interested parties;
- To set clear defined objectives and targets to satisfy our customers and corporate needs in an effective and efficient manner;
- To bring added value through contributions and fully resourced teams of personnel and subcontractors;
- To achieve, maintain and continually improve overall organizational and personal performance standards and capabilities using new ideas, innovations and feedback.

The Company is committed to achieve this policy through the application of the requirements of the International Quality Management ISO9001:2015 Standard in each project, ensuring that the specific requirements, objectives and contractual needs are determined, addressed, delivered and complied.

This Policy is communicated to and understood by all personnel within the Company, including the subcontractors as well as their workers. It is reviewed annually or when necessary for continuing suitability to satisfy the needs of the Company, Clients and all Stakeholders.

(This policy statement shall be written in English and Chinese)
